

IRC-6

IRC-6 is an easy-to-use infrared remote control (IRC) for IRC compatible lighting fixtures. It provides instant access to pre-programmed scenes, color mixing options and on-the-fly speed adjustments. This compact and lightweight remote has an approximate range of 30 feet (9 m).

Highlights

- Wireless remote control for all CHAUVET Freedom series and IRC products
- Allows you to wirelessly select color, intensity, strobe rate and more
- Provides instant access to pre-programmed light shows
